DETAILED ACTION

1 This action is responsive to the reply filed on February 2, 2004.

EXAMINER'S AMENDMENT

2 An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Laura L. Frieko on February 11, 2004.

The application has been amended as follows:

In the claims:

Please cancel claims 1-10.

In claim 11, in line 1, replace "In a" by --A--.

In claim 12, in line 1, replace "A" by--The--.

In claim 20, in line 1, replace "A" by--The--.

In claim 22, in line 1, replace "A" by--The--.

3 Claims 11-22 are allowed.

STATEMENT OF REASONS FOR ALLOWANCE

4 The following is an examiner's statement of reasons for allowance:

Upon further reviewing and consideration the teaching of the prior art of record (WO 99/48856), it is found that Genet et al., further limited the compound of the formula (I), wherein the number of groups Z is at least equal one when the compounds of the formula (I) comprises only one group Z, and when A₁ and A₂ are both chosen from groups NR₄R₅ and NR'₄R'₅ (see page 8, lines 23-31). Therefore, patentee differs from applicant in that Genet et al does not teach or suggest a monobenzenic coupler that comprises one hydroxyl group and one amino group when only one Z group of quaternary ammonium radical is presented in the compound of the claimed formula (I). Accordingly, the claimed subject matter as a whole would not have been obvious to one having ordinary skill in the art of hair dyeing formulation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eisa B Elhilo whose telephone number is (571) 272-1315. The examiner can normally be reached on M - F (8:00 -5:30) with alternate Friday off.
